ABOUT SMARTCOIN-EARN

SMARTCOIN-EARN is a prominent trading company headquartered in New Zealand, Oceania, offering investors an opportunity to earn a daily return of 6% on their first plan investments. Through their expert trading operations, investors can benefit from a hands-off approach, all you need is just simply create an account on their website and make your daily investments.

SMARTCOIN-EARN employs advanced payment systems, which is Systematic Instant Payment (SIP) and Automated Instant Payment (AIP), ensuring seamless and efficient transaction processing.

The company's diverse revenue streams include:

- Oil extraction
- Stock trading
- Gas distribution

- Bitcoin mining and trading

Notably, their bitcoin mining operations generate an average of 4.2% blocks per year, equivalent to 150 bitcoins per block, resulting in an annual revenue of approximately \$30,680,122.04.

This multi-faceted approach enables SMARTCOIN-EARN to deliver substantial and consistent returns to their investors, solidifying their position as a leading trading company.

OUR MARKET

SMARTCOIN-EARN is a legitimate investment platform that generates revenue through a diversified portfolio of activities, including Gold mining, Oil extraction, Stock trading in international market exchanges & Bitcoin (BTC) blockchain mining.

The returns from these various sources are utilized to provide payments to their investors, ensuring a stable and sustainable investment ecosystem.

This multi-faceted approach distinguishes SMARTCOIN-EARN from other investment opportunities and demonstrates their commitment to transparency and accountability.

OUR APPROACH

Our culture emphasizes trust, flexibility, and ongoing skills development. We build diversity into teams to help them perform better and make stronger decisions. Our size is an advantage, with ample resources allowing for our investment teams to develop key insights as well as a small fee that enables each team member to have a meaningful impact. Our risk management process is based on the goal of excellence. Our risk management process is based on the goal of excellent performance through the economic cycle. Our investment teams allocate risk budgets to areas of greatest insight, with an emphasis on mitigating downside risk. SMARTCOIN-EARN.COM is not limited to one circle, we think globally, and we are all over the world. Our assets are being distributed all over the world, through our numerous third parties

Terms & Conditions

This is the Terms & Conditions for SMARTCOIN-EARN.COM running on SMARTCOIN-EARN.COM Platform

The Terms & Conditions relate to how we collect, use, share, and secure the personal information that you may supply to us. It also describes your choices regarding use, access, and correction of your personal information.

We recognize the importance of protecting the privacy of information collected by us, in particular, information that is capable of identifying an individual ("personal information").

These Terms & Conditions govern how your personal information will be dealt with. SMARTCOIN-EARN.COM is the entity collecting and holding your personal information by these Terms & Conditions. We reserve the right, at our discretion, to modify or remove portions of this Terms & Conditions at any time.

SMARTCOIN-EARN.COM is responsible for the processing of personal data that it receives under the Estonia laws, and other applicable international laws.

Please take a moment to read these Terms & Conditions carefully. If you have any questions about these Terms & Conditions, please contact us at admin@smartcoin-earn.com. You should review these Terms & Conditions periodically so that you are updated on any changes.

Use of Website

By using this website, you agree to the Terms & Conditions of SMARTCOIN-EARN.COM, which are set out on this website page. These Terms & Conditions are in addition to any other terms and conditions applicable to the website. This website may contain links to other websites not operated or controlled by us, and we do not make any representations about such third-party websites.

Collection of Information

We may collect personal information about you through your conduct on our website, via support services, email, telephone, any contact made by you through social media channels and through any other interaction you may have with us.

We collect and hold personal information about, but not limited to

- Users and potential users.

- Business associates and potential business associates, and their employees and contractors (where applicable).
- Individuals we deal with in the course of providing services to our users.
- Suppliers and their employees and contractors.
- Employees, prospective employees, contractors, and other people who come into contact with us.

We collect personal information about you for us to provide you with our services, for you to take full advantage of our services, and for us to conduct our business and meet our legal obligations.

Personal information is collected when provided by you, via the website, email, support, phone, social media, or any other interactions you may have with us. For example, we may need to collect such information to provide you with services or to answer or forward any requests or inquiries that you submit to us.

Information we collect may include (but is not limited to) names, addresses, contact details, occupations, payment details, employment history, education and qualifications, testimonials, feedback, and other information that assists us in conducting our business, providing and marketing our services, and meeting our legal obligations.

We may also obtain information from other sources and combine that with information we collect through our services. For example, we may collect information about you from third parties, including but not limited to social media platforms and publicly available sources.

Registration with the website is voluntary. Registration may include submitting (for instance, but not limited to) your name, email address, address, and telephone number and selecting an option to receive updated promotional material and other information. You may view and edit this information at any time by logging in and going to your account.

We may also collect information about you as permitted by law.

In some cases, if the personal information we request is not provided, it might adversely impact our ability to supply you with services or perform our obligations to you.

Any information you provide to us that is not required is voluntary. You are free to choose whether to provide us with the types of personal information requested, but we may not be able to serve you as effectively or offer you Services when you do choose not to share certain information with us.

Collection and Use of Information Collected Automatically

We receive and store certain types of information automatically, such as whenever you interact with the sites or use our services. This information does not necessarily reveal your identity directly but may include information about the specific device you are using, such as the hardware model, device ID, operating system version, web-browser software (such as Firefox, Safari, or Internet Explorer) and your Internet Protocol (IP) address/MAC address/device identifier.

When you visit our website, our web servers gather your IP address to assist with the diagnosis of problems and to enable us to provide the best level of service.

We use cookies on our website to provide you with a better experience. These cookies allow us to increase your security by storing your session ID and are a way of monitoring single-user access. This aggregate, non-personal information is collated and provided to us to assist in analyzing the usage of the site.

SMARTCOIN-EARN.COM Customers complete a verification procedure (they must provide an

identification document issued by the state: a passport or an ID card). SMARTCOIN-EARN.COM reserves the right to collect Customers' identification information for AML Policy purposes. This information is processed and stored strictly by the SMARTCOIN-EARN.COM Terms & Conditions.

SMARTCOIN-EARN.COM may also request a second Customer identification document: a bank statement or utility bill no older than 3 months, which includes the Customer's full name and current address.

Management of Personal Information

We strive to ensure the security, integrity, and privacy of personal information submitted to us, and we regularly review and update our security measures in light of current technologies.

While no data transmission over the Internet can be guaranteed to be secure, we will endeavor to take all reasonable steps to ensure the security, on our systems, of the personal information you transmit to us via our online products and services.

In addition, our employees and the contractors who provide services related to our information systems are obliged to respect the confidentiality of any personal information held by us.

Use of Information

Unless we disclose other uses in this Terms & Conditions or at the time of collection, personal information about you is used only for the purpose for which it is submitted or for such other secondary purposes that are related to the primary purpose.

In general, the purposes for which your personal information is collected, used, held, and disclosed are:

- to conduct our business;
- to provide you with our services and any other services you request;
- to market our services to you;
- to engage with third parties on your behalf;
- to communicate with you;
- to help us manage and enhance our services; and
- to comply with our legal obligations.

Copies of correspondence sent by you or from the website that may contain your personal information are stored as archives for record-keeping and backup purposes only. All communication from us (including information about new products and services) will provide you with an opportunity to opt out of further communication. You can choose to opt-out at any time from receiving marketing communications.

We do not allow the selling of your personal information in any way.

Privacy Policy

Last updated: August 10, 2018

This Privacy Policy describes Our policies and procedures on the collection, use and disclosure of Your information when You use the Service and tells You about Your privacy rights and how the law protects You.

We use Your Personal data to provide and improve the Service. By using the Service, You agree to the collection and use of information in accordance with this Privacy Policy.

Interpretation and Definitions

Interpretation

The words of which the initial letter is capitalized have meanings defined under the following conditions. The following definitions shall have the same meaning

regardless of whether they appear in singular or in plural.

Definitions

For the purposes of this Privacy Policy:

- **Account** means a unique account created for You to access our Service or parts of our Service.
- **Affiliate** means an entity that controls, is controlled by or is under common control with a party, where "control" means ownership of 50% or more of the shares, equity interest or other securities entitled to vote for election of directors or other managing authority.
- **Company** (referred to as either "the Company", "We", "Us" or "Our" in this Agreement) refers to SMARTCOIN-EARN, Porirua, Wellington NZ 14678901.
- **Cookies** are small files that are placed on Your computer, mobile device or any other device by a website, containing the details of Your browsing history on that website among its many uses.
- **Country** refers to: New Zealand

Device means any device that can access the Service such as a computer, a cellphone or a digital tablet.

Personal Data is any information that relates to an identified or identifiable individual.

Service refers to the Website.

Service Provider means any natural or legal person who processes the data on behalf of the Company. It refers to third-party companies or individuals employed by the Company to facilitate the Service, to provide the Service on behalf of the Company, to perform services related to the Service or to assist the Company in analyzing how the Service is used.

Usage Data refers to data collected automatically, either generated by the use of the Service or from the Service infrastructure itself (for example, the duration of a page visit).

Website refers to SMARTCOIN-EARN, accessible from <https://smartcoin-earn.com>

You means the individual accessing or using the Service, or the company, or other legal entity on behalf of which such individual is accessing or using the Service, as applicable.

Collecting and Using Your Personal Data

Types of Data Collected

Personal Data

While using Our Service, We may ask You to provide Us with certain personally identifiable information that can be used to contact or

identify You. Personally identifiable information may include, but is not limited to:

- Email address
- First name and last name
- Phone number
- Address, State, Province, ZIP/Postal code, City

Usage Data

Usage Data is collected automatically when using the Service.

Usage Data may include information such as Your Device's Internet Protocol address (e.g. IP address), browser type, browser version, the pages of our Service that You visit, the time and date of Your visit, the time spent on those pages, unique device identifiers and other diagnostic data.

When You access the Service by or through a mobile device, We may collect certain information automatically, including, but not limited to, the type of mobile device You use, Your mobile device unique ID, the IP address of Your mobile device, Your mobile operating system, the type of mobile Internet browser You use, unique device identifiers and other diagnostic data.

We may also collect information that Your browser sends whenever You visit our Service or when You access the Service by or through a mobile device.

Tracking Technologies and Cookies

We use Cookies and similar tracking technologies to track the activity on Our Service and store certain information.

Tracking technologies used are beacons, tags, and scripts to collect and track information and to improve and analyze Our Service. The technologies We use may include:

Cookies or Browser Cookies. A cookie is a small file placed on Your Device. You can instruct Your browser to refuse all Cookies or to indicate when a Cookie is being sent. However, if You do not accept Cookies, You may not be able to use some parts of our Service. Unless you have adjusted Your browser setting so that it will refuse Cookies, our Service may use Cookies.

Web Beacons. Certain sections of our Service and our emails may contain small electronic files known as web beacons (also referred to as clear gifs, pixel tags, and single-pixel gifs) that permit the Company, for example, to count users who have visited those pages or opened an email and for other related website statistics (for example, recording the popularity of a certain section and verifying system and server integrity).

Cookies can be "Persistent" or "Session" Cookies. Persistent Cookies remain on Your personal computer or mobile device when You go offline, while Session Cookies are deleted as soon as You close Your web browser.

We use both Session and Persistent Cookies for the purposes set out below:

Necessary / Essential Cookies

Type: Session Cookies

Administered by: Us

Purpose: These Cookies are essential to provide You with services available through the Website and to enable You to use some of its features. They help to authenticate users and prevent fraudulent use of user accounts. Without these Cookies, the services that You have asked for cannot be provided, and We only use these Cookies to provide You with those services.

Cookies Policy / Notice Acceptance Cookies

Type: Persistent Cookies

Administered by: Us

Purpose: These Cookies identify if users have accepted the use of cookies on the Website.

Functionality Cookies

Type: Persistent Cookies

Administered by: Us

Purpose: These Cookies allow us to remember choices You make when You use the Website, such as remembering your login details or language preference. The purpose of these Cookies is to provide You with a more personal experience and to avoid You having to re-enter your preferences every time You use the Website.

For more information about the cookies we use and your choices regarding cookies, please visit our Cookies Policy or the Cookies section of our Privacy Policy.

Use of Your Personal Data

The Company may use Personal Data for the following purposes:

To provide and maintain our Service, including to monitor the usage of our Service.

To manage Your Account: to manage Your registration as a user of the Service. The Personal Data You provide can give You access to different functionalities of the Service that are available to You as a registered user.

For the performance of a contract: the development, compliance and undertaking of the purchase contract for the products, items or services You have purchased or of any other contract with Us through the Service.

To contact You: To contact You by email, telephone calls, SMS, or other equivalent forms of electronic communication, such as a mobile application's push notifications regarding updates or informative communications related to the functionalities, products or contracted services, including the security updates, when necessary or reasonable for their implementation.

To provide You with news, special offers and general information about other goods, services and events which we offer that are similar to those that you have already purchased or enquired about unless You have opted not to receive such information.

To manage Your requests: To attend and manage Your requests to Us.

For business transfers: We may use Your information to evaluate or conduct a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of Our assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which Personal Data held by Us about our Service users is among the assets transferred.

For other purposes: We may use Your information for other purposes, such as data analysis, identifying usage trends, determining the effectiveness of our promotional campaigns and to evaluate and improve our Service, products, services, marketing and your experience.

We may share Your personal information in the following situations:

With Service Providers: We may share Your personal information with Service Providers to monitor and analyze the use of our Service, to contact You.

For business transfers: We may share or transfer Your personal information in connection with, or during negotiations of, any merger, sale of Company assets, financing, or acquisition of all or a portion of Our business to another company.

With Affiliates: We may share Your information with Our affiliates, in which case we will require those affiliates to honor this Privacy Policy. Affiliates include Our parent company and any other

subsidiaries, joint venture partners or other companies that We control or that are under common control with Us.

With business partners: We may share Your information with Our business partners to offer You certain products, services or promotions.

With other users: when You share personal information or otherwise interact in the public areas with other users, such information may be viewed by all users and may be publicly distributed outside.

With Your consent: We may disclose Your personal information for any other purpose with Your consent.

Retention of Your Personal Data

The Company will retain Your Personal Data only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use Your Personal Data to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve disputes, and enforce our legal agreements and policies.

The Company will also retain Usage Data for internal analysis purposes. Usage Data is generally retained for a shorter period of time, except when this data is used to strengthen the security or to improve the functionality of Our Service, or We are legally obligated to retain this data for longer time periods.

Transfer of Your Personal Data

Your information, including Personal Data, is processed at the Company's operating offices and in any other places where the parties involved in the processing are located. It means that this information may be transferred to — and maintained on — computers located outside of Your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from Your jurisdiction.

Your consent to this Privacy Policy followed by Your submission of such information represents Your agreement to that transfer.

The Company will take all steps reasonably necessary to ensure that Your data is treated securely and in accordance with this Privacy Policy and no transfer of Your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of Your data and other personal information.

Delete Your Personal Data

You have the right to delete or request that We assist in deleting the Personal Data that We have collected about You.

Our Service may give You the ability to delete certain information about You from within the Service.

You may update, amend, or delete Your information at any time by signing in to Your Account, if you have one, and visiting the account settings section that allows you to manage Your personal information. You may also contact Us to request access to, correct, or delete any personal information that You have provided to Us.

Please note, however, that We may need to retain certain information when we have a legal obligation or lawful basis to do so.

Disclosure of Your Personal Data

Business Transactions

If the Company is involved in a merger, acquisition or asset sale, Your Personal Data may be transferred. We will provide notice before Your Personal Data is transferred and becomes subject to a different Privacy Policy.

Law enforcement

Under certain circumstances, the Company may be required to disclose Your Personal Data if required to do so by law or in response to valid requests by public authorities (e.g. a court or a government agency).

Other legal requirements

The Company may disclose Your Personal Data in the good faith belief that such action is necessary to:

- Comply with a legal obligation
- Protect and defend the rights or property of the Company
- Prevent or investigate possible wrongdoing in connection with the Service
- Protect the personal safety of Users of the Service or the public
- Protect against legal liability

Security of Your Personal Data

The security of Your Personal Data is important to Us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While We strive to use commercially acceptable means to protect Your Personal Data, We cannot guarantee its absolute security.

Children's Privacy

Our Service does not address anyone under the age of 13. We do not knowingly collect personally identifiable information from anyone under the age of 13. If You are a parent or guardian and You are aware that Your child has provided Us with Personal Data, please contact Us. If We become aware that We have collected Personal Data from anyone under the age of 13 without verification of parental consent, We take steps to remove that information from Our servers.

If We need to rely on consent as a legal basis for processing Your information and Your country requires consent from a parent, We may require Your parent's consent before We collect and use that information.

We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.

Changes to this Privacy Policy

We may update Our Privacy Policy from time to time. We will notify You of any changes by posting the new Privacy Policy on this page.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.

Contact Us
